

On Valentine's Day ...

Valentine's Day - a great opportunity to get away on the weekend, forget your troubles, and spend a romantic evening of fun, among friends and acquaintances.

Such a great opportunity to have more than three hundred Ukrainians who live in Perth Amboy and the surrounding area, come together to celebrate the holiday at the school auditorium of the Ukrainian Catholic Church of the Assumption in Perth Amboy (New Jersey, USA).

The beautifully decorated Hall emphasized the romantic mood of celebration. Everyone waited patiently to partake of the generously filled buffet tables that were full of a variety of delicious food and home baked desserts. All were warmly welcomed by the moderators: Mariya Yavorska and John Fedynyshyn, and giving a blessing this festive evening was Father Roman Dubitsky.

Our parishioner and choir member Ksenia treated all the guests present by performing on violin and singing a Ukrainian song. Music was provided by the group "Anna - Maria Entertainment", which played Ukrainian and American numbers all night long. The guests were delighted; all enjoyed the dancing, dining and comradeship, making everyone feel at home, even if home is far away.
