Parish Picnic an Overwhelming Success

What can I say. The Parish Picnic was an overwhelming success. We prayed together, we shared food together, we worked together, we had a lot of fun together. We gave thanks to God for our food and for the gift that our parishioners are to one another. This is what a parish is all about. I thank Mr. Charles Boyko the President of the Holy Name Society, the ladies from St. Ann’s Society and the men from the Holy Name Society and so many other parishioners who worked so hard to provide us with such an enjoyable day. Well done. God will certainly bless you and all of your families for your goodness to us. I look forward to seeing you all again at our Parish Picnic next year.

Somerset Patriots Baseball Game

The Holy Name Society is sponsoring an outing to see the Somerset Patriots play on Saturday, July 30, 2011. A pre-game party will be held on the Assumption School playground at 5:30 PM. Welcome to God's House!

Be at peace and know for sure how much He loves you. May your Liturgy experience find you closer with God and with the other members of our parish family. Thank you for enhancing our worship through your prayers, your time, your love, and your own unique presence! If you attend Divine Liturgy in our parish on a regular basis and would like to Register as a Parishioner, please fill out the "Registration Form", found in the back of church, or see Fr. Our Parish School is Open for Your Visit

When school ends for the year the children run out the door saying good bye to their teachers knowing that for the next two months they will be able to relax an not think about school. Teachers finish the last of their school-related activities, close their classroom doors and go home until the end of August. This is what happens at schools all over.

If you passed by Assumption Catholic School of Perth Amboy recently you would not have seen a sleepy building without its teachers and children. You would have seen a mix of grownups and older children from the Ukrainian Catholic Church of the Assumption parish, Assumption Catholic School teachers and children, the parish priest and finally parents of the A.C.S. Family and School Association. They had gathered at school to do something that many would not want to do after school closed. They had gathered to work.

While the parishioners, F.S.A. members and teachers worked together to scrub and sanitize ovens, refrigerators, sinks, and countertops, the students could be seen washing and drying dishes that would be stored for the summer. Pastor, Father Ivan Turyk, was both happy and amazed to see how easily everyone worked as a team. When one job was finished, the next was started.

“Working together adds to the sense of family that already exists at Assumption Catholic School.” Mrs. Lissette Shumny, the first grade teacher, said as she worked on the oven. Mrs. Shumny is also an alumnus of the school. She has three children that attend A.C.S. Mr. Luis Montalvo, the F.S.A. president, added, “Our children are learning that they have a responsibility to serve others through volunteering. Hopefully, when they are adults they will continue to volunteer.”

After working together for two days everyone was tired and ready to start summer. They left with the satisfaction of helping the A.C.S. community continue to prepare for the return of the children In September.

Assumption Catholic School is accepting registration for PreK through eighth grade. You may schedule an appointment for a tour and registration by calling the school office at: 732 - 826-8721.
