Silence in Church

I remind you of the proper decorum due to God's house. The public part of the Liturgy ends with the final "Amen" but the Liturgy continues at the altar with the ablution prayers and the un-vesting prayers. Besides that, some people would like to have a silent time of prayer. Please take your socializing to the narthex or the church hall downstairs.

Sunday of All Saints

The Sunday following Pentecost is dedicated to All Saints, both those who are known to us, and those who are known only to God. There have been saints at all times, and they have come from every corner of the earth. They were Apostles, Martyrs, Prophets, Hierarchs, Monastics, and Righteous, yet all were perfected by the same Holy Spirit. The Descent of the Holy Spirit makes it possible for us to rise above our fallen state and to attain sainthood, thereby fulfilling God's directive to "be holy, for I am holy" (Lev. 11:44, 1 Peter 1:16, etc.)

ACS Principal To Retire After School Year

Mr. Michael Szpyhulsky, principal of Assumption Catholic School, (ACS), Perth Amboy, announced his retirement from the position of principal and return to the classroom of ACS, at the June 7, 2017, faculty meeting. Under his guidance ACS received accreditation from AdvancED, instituted an accelerated math program including eighth grade algebra I opportunities, and initiated usage of the Powerschool and Google Docs programs.

Fr. Ivan Turyk, administrator of the Assumption Catholic Parish and School, thanked "Mr. S", as he is known, for the ten years he gave to ACS. Mr. S. was praised for his dedication as the role of principal requires hours beyond the school day. He tackled tasks no one else wanted to do, and was often the last person out of the building after checking all the doors and turning off all the lights. Mr. S. is looking forward to once again being in a classroom on the front line of education.

New Principal named at Assumption Catholic School

On June 7, 2017, at the school faculty meeting, it was announced that Mrs. Lissette Shumny was selected as the school's new Principal. She will begin her work on July 1, 2017 succeeding Mr. Michael Szpyhulsky who announced his retirement from the position of Principal and return to the classroom at ACS. During the remainder of this school year, Mr. Szpyhulsky and Mrs. Shumny will spend time working together to ensure a smooth transition.

Assumption Catholic School (ACS) is an AdvancED accredited school in Perth Amboy, NJ which first opened in 1963 with only first and second grades. Today it boasts a 4-year-old pre-kindergarten through eighth grade. Hundreds of students have graduated from ACS including Mrs. Shumny herself. A former student and graduate becoming principal of her alma mater is history in the making at ACS and possibly beyond!

After ACS Mrs. Shumny went to and graduated from Bishop George Ahr High School in Edison. She then attended Rider University where her Bachelor of Science degree in Business Administration and Human Resource Management was earned. After working several years in the private sector, Mrs. Shumny felt a different calling. So when she enrolled her oldest child in ACS's pre-k, she applied for a teaching position and was hired. Once all three of her children were attending ACS, Mrs. Shumny realized how much she loved teaching. She enrolled in St. Peter's University graduate program and attended evening classes until she earned a Masters of Science degree in Education.

In her thirteen years at ACS Mrs. Shumny has been a third, sixth, and seventh grade teacher, Language Arts Curriculum Supervisor, and a behind the scene organizer of many school wide projects. When asked for her thoughts and feelings Mrs. Shumny replied, "It is truly an honor to have the opportunity to be Principal of Assumption Catholic School and to lead a school that is so close to my heart. My vision for ACS is to build on the rich legacy of a strong Catholic identity and dedicated teachers as well as chart a new course for our future. My focus will be in enriching the curriculum in the areas of math, science, and technology by developing new partnerships with leading institutions in order to prepare our students to be the leaders and innovators of tomorrow." Her enthusiasm, organization, fairness, and sense of humor will surely be advantageous in her new position.

Please stop by and say Hello to our new Principal. Ask questions and hear her plans for our wonderful school! To receive more information about the 2017-2018 school year please call 732-826-8721 or visit us at
