VACATION FROM GOD?

Ah, summertime! Each of us looks forward to the time of year when we get a break from our daily work and school routine. In the United States, we call it vacation. Other countries call it holiday. Irrelevant of the name, it brings images of leisure time, travel, friends, family, and sometimes adventure. Whether it is a trip to the shore, a cabin in the mountains, a tent in a park, a luxury hotel, or a cruise on the open seas, we all need a break and time away from our normal routine to recharge our personal batteries. As each of us is different, we all have our own idea of what constitutes the best use of our time away from our jobs, the office or the classroom.

Somehow, we never seem to give much thought about our spiritual lives when we plan a vacation...it's just a Sunday or two missing church— God will understand! There are 50 other Sundays and other holy days to visit with Him...and of course, since He loves us, we don't have to worry about Him! He'll be right there when we get back...and if we need Him on our trip, He'll be there as well! Sometimes, we fail to plan for the most important part of our vacations—the spiritual recharge.

Beloved in Christ, as we travel to our family vacation spot, remember that each of us has been given the opportunity to experience God's love and creation every day of our lives. Do not pass up the chance to see Him in everything around you—trees, hills, water, birds, animals, clouds, rain, storms—all are His creation! On your vacation, take a few minutes to thank Him for everything He has given you—your health, family friends, and all good things come from Him. Visit a Catholic church where you find yourself—go in, pray with faithful, look around, breathe in the smells, experience a slightly different view of the One Holy Catholic and Apostolic Church. Recharge your batteries...and save those memories! May God grant you a safe journey, no matter where you roam, a safe return to home and family, and His Love and Protection along the way.
