There's no DEBATE about it....**WE ARE PERTH AMBOY'S #1 BINGO!**

Twenty-seven months ago decisions were made that resulted in the reopening of our bingo here at Ukrainian Assumption. That reopening was the continuation of a tradition that began in 1948!

This could not be done without the guidance of Father Ivan, the leadership of Colette, the work of the wonderful volunteers, the culinary talents of Father Mike and the FSA parents in the kitchen!

The biggest thank you goes out to the most important people of all, our customers! Without you there is no bingo.

ACS Families Welcomed Back to School.

Assumption school was alive with the sounds of parents as they participated in Back to School Night. Our families came out to listen to our Principal Mrs. Shumny about new endeavors in curriculum and technology, ask questions and meet their children's teachers. Family School Association board member Fr. Mike informed parents about their parental responsibilities for the school year. When the first introductions and activity requirements were completed, parents/guardians made their way to their child's classroom. There the teachers shared their requirements, expectations, and hopes for their children in this new school year. Welcome back to all of our ACS families! Here's to a great new year.

Pastor's Corner: Church Etiquette**Entering and Leaving During the Service.**

Except in the case of an emergency it is disrespectful to enter or leave the service during the readings of the Epistle and Gospel, the homily/sermon, or anytime that the Body and Blood of Christ are in the Nave (e.g. during the distribution of Holy Communion).

On some Sundays, it almost seems like we have a revolving door in the back of the church—and it is used by both children and adults. Use the restroom before coming to church. You shouldn't need to get a drink of water during the service (especially if you are taking Communion!). Don't come to church to go to the fellowship hall— come to pray. Taking restless little ones out is a different matter. If a child is disruptive, take him/her quickly and quietly out of church, just long enough to settle him down, then return to Liturgy.
